REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. § 1.322 and/or 1.323, The Toro Company, the assignee of the entire right, title and interest in and to the above-identified United States Letters Patent, hereby requests that the attached Certificate of Correction be issued relating to this Patent.

The Certificate of Correction corrects an error in the Identification of the Inventors. The names of two inventors were erroneously included on the face of the patent when the patent was printed.

On July 13, 2005, during the prosecution of the application that matured into the above-identified patent, a

OCT 10 2006

Request was made to delete Walter J. Petersen and Michael J. Gilberg as inventors. **The Examiner granted this request and indicated that Mssrs. Petersen and Gilberg would be deleted as inventors.** A copy of the Examiner's decision granting this request, which appears on page 2 of the Communication dated July 20, 2006, is attached.

However, as is clear from reviewing the face sheet of the patent, Mssrs. Petersen and Gilberg are still incorrectly listed as joint inventors. Their names should have been deleted pursuant to the Examiner's decision.

The duplicate occurrence of the word "the" in claim 1, i.e. the phrase "the the aerating mechanism" in limitation (c) of claim 1 is obviously wrong. Only a single "the" should have appeared. The phrase should simply have read "the aerating mechanism". Thus, the requested change to Col. 11 removes the duplicate recitation of the word "the" from claim 1.

In addition, a typographical/grammatical error on the part of the Applicant occurred in claim 2. The plural tense of the verb "are" is wrong. The phrase now reads "a pair....are". The verb tense should have been the singular "is" to agree with the singular recitation of "a pair". The phrase should have read "a pair...is". Thus, the requested change to Col. 12 changes the verb tense from the incorrect plural "are" to the grammatically correct singular "is".

Accordingly, the attached Certificate of Correction should be issued by the Patent and Trademark Office. Please charge any fees that may be due for such Certificate of Correction to Deposit Account No. 20-1315 of The Toro Company.

Respectfully submitted,
